FRIEND OF CARUSO

Rival Tenors Best of Pals Privately; Next Tuesday the Day.

JOHN MCCORMACK. Who will sing at Tulsa Convention hall next Tuesday night, assisted by Donald McCreath, soloist, and Edwin Schaefer, pianist.

est living tenors, Caruso, the wonderful Italian tenor, and McCormack, the equally wonderful Irish lyric tenor, who have been close friends, and great admirers.

It is now well known that Mr. Caruso will not do any concert work, and when approached last October at the Knickerbocker hotel in New York by Manager Charles L. Wagner, who booked the McCormack tour, he said:

"If I were like you, Mr. McCormack, I would say 'Yes' to your proposition for a concert tour, but he has taught me all how to sing in a dress suit, and I simply could not do it. The public want Mr. McCormack and I am glad of it."

Loyal to Father. At the close of the spring tour John McCormack sailed for Covent Garden on the same boat with Mr. Caruso, and the great Italian tenor took a great liking to McCormack's son, Cyril, 7 years old, and after they became well acquainted, Cyril said to Caruso: "I know you are the greatest Italian tenor, but my papa is the greatest Irish tenor. This so pleased Mr. Caruso that when he landed in London he gave the story to all the newspapers, proving that the great Italian tenor is also a great Irish tenor, and quite willing to be considered equal with the great and only John McCormack."

The selection of Mr. McCormack by Fritz Lill Lehman, Germany's greatest singer, and Doctor Muir, director of the London Symphony orchestra, and the selection of McCormack as the conductor of the Vienna Philharmonic, the greatest orchestra in the world.

These performances were to have taken place the week of August 12, under the direction of Doctor Muir, but the Austria-Serbian war caused their indefinite postponement.

GORE IS BACK AT WASHINGTON NOW

Returned to Capital After Flying Trip to Oklahoma Cities.

NEW POSTMASTERS

Indian Office to Give Decision Soon on Disposition of Gas.

(By JOHN W. FLENNER.)

WASHINGTON, Nov. 26.—That Gov. R. L. Williams will call the Oklahoma legal case together in a special session some time in January is the news that has brought Washington, by returning Oklahoma's statement, it is not stated just how the constitutional amendment clause will be amended but something will be done in an effort to head off the negro vote in the state.

Senator Gore Back. Senator Thomas H. Gore has returned to Washington after a flying trip to Oklahoma City and Tulsa and reports that Oklahoma is booming. "The people are feeling good, the oil business is booming, the crops are fine and the state is again hitting for old stride."

Senator Gore says that Governor Williams has not as yet decided upon his mind as to the calling of an extra session of the legislature, but is still mulling it over in his mind. Mr. Gore will renew his efforts to secure a marble instead of a sandstone building for the state capitol, turned down by Assistant Secretary of the Treasury Newton will appeal to Secretary McAdoo, or the president if need be, if by so doing he can get a better building for that city.

Oklahoma Postmasters Commissioned. Commissioners have been issued to the following Oklahoma postmasters: Dave Hartness, Lattie George, C. Thomas, Margaret John P. Alexander, Reginald John C. Hunt, Homestead.

Rural Carrier Named. Rural M. Russell has been named rural mail carrier on route 10, ending at Collinsville, Okla.

Meritt Acting Commissioner. Assistant Indian Commissioner E. B. Meritt of Fayetteville, Ark., is acting in head of the Indian interest in the absence of Indian Commissioner Sells, who left several days ago for Iowa to spend Thanksgiving day.

Osage Decision Seen. It is unofficially announced at the Indian office that a decision probably will be rendered at soon as to the disposition of the gas lease in the Osage nation, now held by the Indian Territory Illuminating Oil company. Expert Welch, of the bureau of mines, who has been at Pawnee, Okla., with Superintendent Wright of the Osage agency and members of the Osage council, has not as yet reported to Washington.

Judge Richard Howe. Judge S. S. Richard of Pittsburgh, Pa., local representative of T. N. Barnhill, the largest individual oil lease holder in the Osage nation, is in Washington conferring with department officials on the renewal of the lease of the Barnhill oil company.

Indian Committee's New Quarters. The house Indian committee, of which Representative John H. Steubens of Texas is chairman, will be installed in new quarters in the capital this winter. The Indian committee has traded rooms with the committee on accounts, which adjoins the old Indian committee rooms in the ground floor of the capitol. Mr. Stephens has arrived in Washington, but owing to the fact that the house committee have not as yet been organized, the committee can not get down to work on its duties until after the reconvening of congress.

From present prospects, however, the house Indian committee will be a busy little body this winter, which will be to the benefit of the Indians who will be to be ironed out and the renewal of the fight over a per capita payment to the Choctaws.

Muskogean's Mother Dies Here. The death of Mrs. Fannie T. Paschal, mother of George Paschal, a practicing attorney of Muskogee, Okla., who was only recently admitted to practice before the United States supreme court, occurred at her home in this city last week. Mrs. Paschal was a daughter of the late Henry Wirt Tilley, who was for a quarter of a century postmaster of Georgetown, and a great-niece of William Wirt, a well known jurist of his day. The Tilley family are descendants of John Tilley, who came over in the Mayflower.

Transferred From Fort Sill. Sergeant Marcelle Bidek, battery F, Fifth field artillery, Fort Sill, Okla., has been transferred as a private to the quartermaster corps and will be sent to the Front Royal Remount depot, Virginia, for duty. The expenses of transfer will be borne by the soldier and transportation will not be furnished him.

Horseman Edwin J. Buckner, mounted service school cadet, hinged at Fort Riley, Kan., at his own request, has been transferred as a private to battery D, Fifth field artillery, at Fort Sill, Okla.

Oklahomans in Washington. Among the recent Oklahoma arrivals in Washington were Miss Pauline McFarlin and Mrs. J. R. Robinson, Tulsa; Creek National Attorney R. C. Allen and Attorney George Paschal, Muskogee.

No Raise in Appropriations. Unofficial announcement is made that the Oklahoma items in the Indian appropriation bill for the next fiscal year will be practically the same as those of last year as reported by the senate committee on Indian affairs. Changing the usual order, the annual report of Secretary Lane will this year be made public before the report of Indian Commissioner Sells. It is not known if any radical changes in Indian policy will be recommended, although it is quite likely.

"Y" LOBBY FILLED WITH MERRY CROWD

Apples, Popcorn and Toasted Marshmallows on Thanksgiving Day.

A HOME-LIKE PLACE

December 8, 9 and 10 Are Dates of Big Membership Campaign.

Strangers in Tulsa Thanksgiving day who are not members of the Y. M. C. A. made a discovery. They discovered that the Y. M. C. A., and particularly the Tulsa institution, is just the place for them when they're in a strange city, and hereafter on a holiday, it is their intention to find the "Y" and make their homes there during their stay.

Seriously there were more strangers in Tulsa last Thursday than even before, and the majority went to the "Y" where they enjoyed themselves thoroughly during the whole of the day and far into the night. They were supplied with courtesy cards which gave them the necessary privilege to use the bowling alleys, swimming pools—in fact every department of the big institution, and use them they did.

They lounged around the lobby, ate their Thanksgiving dinner in the cafeteria, played and enjoyed the many new amusements they made. Practically all those who have rooms at the "Y" found their individual efforts to make the strangers feel at home, and they were successful to a man.

Apples and Popcorn. The association having three boxes of delicious apples which were free to all who wanted them. The first box lasted about fifteen minutes, after which another and still a third was provided. A night's popcorn topped over the flames in the massive lobby fireplace and there were dainties to make the occasion memorable.

The consequence is that there soon will be more members of the Y. M. C. A. Men who never acquainted themselves with the advantages of the institution have learned something, and it is the intention to make the best of that newly acquired knowledge. They will be Y. M. C. A. enthusiasts henceforth wherever they go, but it is probable that no matter where their home institution or wherever else they may be, they always will have occasion to remember Thanksgiving day of 1915 and Tulsa.

Membership Campaign. During the membership campaign of the Y. M. C. A. it is the intention to introduce many men and boys of this city to the institution, and once introduced, there is little doubt of the membership of today being at least doubled and it is not improbable it will be built up to be magnificent figure of two thousand.

"Double the Membership" and "Y" Boys for "Y" Boys are the slogans of the campaign, and the actual working of the campaign is well advanced. There is less than three weeks left to go before the campaign is closed, and a half million dollars in the treasury today that is not already covered by some liability.

There is not a railroad which is extending its lines. There hasn't been a mile of new road laid for months. Locomotives brought by roads are simply to replace old engines that couldn't be patched any longer.

I look for one of the liveliest sessions of congress ever seen. If the Republicans do not tell the country exactly how the situation stands, then I miss my guess."
